Don't Test The Waters - Cedar Rapids

A Community Forum by Iowa's Flood Awareness Interagency Coalition

Wednesday, June 15, 2011
6:00 P.M.
Sinclair Auditorium at Coe College
1220 First Avenue, Cedar Rapids

Local, state and federal representatives will discuss flood preparation, prevention and protection with opportunities for audience questions and input.

Agenda:

Welcome

National Weather Service:	Why flood protection and prevention is important and how floods are forecasted
The National Flood Insurance Program:	How Iowans can protect their investments from floods using the NFIP
Iowa Department of Natural Resources:	How the DNR is making efforts to map Iowa's floodplains, and how these new maps fit in with the National Flood Insurance Program
The Iowa Flood Center:	How a new technology will provide greater data in flood events
Local Flood Protection and Prevention:	What the City and County are doing to improve flood protection in preparing for future flood events

Panel with audience Q and A
